

Kindergarten registration for the 2024-2025 school year is being held at Northwood School on May 15th. Please call the main office at (603) 942-5488 or email [aroy@northwoodschoollnh.org](mailto:aroy@northwoodschoollnh.org) to schedule a screening session. There will be three sessions offered:

Session 1: 9:00 am-10:15 am

Session 2: 10:30 am-11:45 am

Session 3: 12:30-1:45 pm

The registration packet can be found at <https://www.northwood.k12.nh.us/>, in the green box in the middle of the page, click the link for *Kindergarten Registration* to complete the registration process. **A complete registration packet is required before a screening date will be assigned.** This includes all residency documents, Birth Certificate, proof of physical, and immunizations. All Step By Step students entering Kindergarten do not need to complete the registration paperwork again. Please just call or email to schedule a screening appointment.

During your visit, parents/guardians will have a tour of our school and meet our principal, assistant principal, school counselor, and school nurse. We ask that only one adult attend with each child due to limited spacing. The children will have a brief visit and assessment with our speech and language pathologists, occupational therapists, and academic professionals, as well as an interactive activity with our kindergarten teachers.

We look forward to meeting you and your child!

Thank you,

The Kindergarten Team
